NEW MEMBERS TO RECEIVE A FREE BOOK

As an added bonus to new members of the Japanese American Citizens League (JACL), until the end of the year we are offering *JACL: Paving the Road to Opportunity*, the beautiful picture book commemorating the JACL's first 75 years, free to new members who purchase a membership on their own and/or to new members who have gift memberships purchased on their behalf by 12/31/2008. Aside from containing historic matte finished JACL photos, it also includes the personal writings of some of the organization's leaders over the past seven plus decades.

The book, which retails for \$40, will be mailed to new members, free of charge via USPS Priority Mail (fast 2-3 day shipping). These new memberships and gift memberships simply need to be submitted by the end of the year to receive this unprecedented deal.

Tim Koide, National JACL Membership Coordinator, and Ryan Chin, new Vice President of Membership for the JACL, are trying to enhance the benefits of membership in the JACL. They are also encouraging people to join the JACL. They cannot do it alone. They need the help of the JACL members to bring in more members.

This is the season for giving. As you are contemplating what to give for gifts, please consider a gift membership in the JACL for family and friends.

As a membership-based organization, the JACL NEEDS members. There are so many people out there who could benefit from membership in the JACL. At this time of giving, we would ask you to consider giving a gift of membership in the JACL and/or to invite others to join.

If you are not currently a JACL member, please join. If you have any questions about membership, you can contact Tim Koide via email at mbr@jacl.org or call the JACL Headquarters.
